

Michigan Blueberry Advisory Committee Sponsorship Program

The Michigan Blueberry Advisory Committee (MBBAC) is a non-profit organization comprised of Michigan blueberry growers from across the state. The purpose of the MBBAC is to assist growers and other industry participants by acting as a conduit through which to communicate industry information, solicit feedback and comment on current/pending legislation, gain awareness and increase participation in USDA support programs and share supplier and end market demand trends.

The *MBBAC Sponsorship Program* is designed for entities that want to support Michigan blueberry farmers through meaningful interactions that impact every facet of their operations.
